ABOUT ME

My name is Anshika Rajput and I am currently pursuing my 3rd year of Bachelor's degree in Information Science and Engineering at New Horizon College of Engineering. I accomplished quite a few online courses/certifications. I did projects based on Python, IOT, C programming. Currently I got an opportunity to work on Web Developmentas as an intern in VaultofCodes. There I got hands on experience in Web Development, all under the guidance of VaultofCodes.

PROJECTS

Miniproject on hospital management system using C programming

Miniproject on pulse monitoring system using arduino.

Project on portfolio website development.

SKILLS

- Python
- Java programming
- IOT
- Database management system
- C programming
- Front-end developer
